

Still Waters Covid-19 Safety Information

Still Waters office sanitation/disinfection procedures are in accordance with the CDC guidelines as well as the guidelines of our professional associations.

We are pre-screening all patients before appointments for symptoms of Covid-19. Additionally, everyone in the office will wear masks. Treatment rooms are disinfected/sanitized in between sessions & each client will have a fresh set of table linens.

Patients can prepay paperlessly for acupuncture and massage sessions here:
